None of the Services are guaranteed. Consistent with Section 8 below, we reserve the right to change, limit usage of and/or cease offering any of the Services at any time and for any reason, including: (a) our inability to maintain the applicable service based on the actions of third party Service Providers or a change to our agreement with any such Service Provider; (b) changes to underlying or supporting Wireless/GPS Technology as described in Section 11(a); or (c) the retirement of the wireless network technology that a Vehicle relies upon for data transmissions – for example, see Section 11(c) below for information on Canadian 3G network technology being retired beginning in Manitoba by the end of 2025 and the rest of Canada potentially by the end of 2026.

Unless otherwise noted, all references to “Service Plan” refer to both a Trial Service Plan and Standard Service Plan. You may terminate your Service Plan at any time as provided in Section 7 below. We may terminate your Service Plan or any of the Services at any time as provided in Section 8 below.

Standard Service Plans may be available on a monthly or other basis, and may include options to select different bundles of Services.

4. PAYMENT FOR YOUR SERVICES

(a) **Service Plan.** Trial Service Plans are included in the price of your Vehicle, so there is no additional charge for the Services included in your Trial Service Plan for the applicable duration of your Trial Service Plan. In which case, your DCM may continue to collect and broadcast data, including without limitation, geolocation.
- (c) **No Transfers.** You cannot transfer your Service Plan to another Vehicle or to another individual. If you sell your Vehicle or terminate your lease during the term of the Service Plan, you must cancel your Service Plan by contacting us at 1-800-265-3987 or you can accomplish this within the App. There is no charge to cancel your Service Plan. You remain responsible for all charges for your Service Plan until you cancel the Service Plan (even if you no longer own, lease or otherwise have access to the Vehicle). For clarity, the new owner of the Vehicle cannot assume or take over your Standard Service Plan or Trial Service Plan, but may be able to (upon registration with us) continue on a separate Trial Service Plan for the remainder of trial period associated with the vehicle. We reserve the right

to cancel your Service Plan once notified of the sale of your Vehicle, by you, a person authorized to act on your behalf, a dealer, or new owner.

- (d) **Changes to Service Plans.** If you wish to change your Service Plan prior to the end of the applicable subscription term, your options will depend on the terms of your current Service Plan and the then-current Service Plans available. The specific Services in your current Service Plan may only be available when bundled with other Services, and not all Services will be available on a standalone basis. Changes to Service Plans with certain bundled Services will not be effective until the end of your then current bill cycle. Call us for details on available options and the impact of changes to your Service Plan.

8. OUR RIGHT TO CANCEL OR SUSPEND SERVICES

10. ADDITIONAL TERMS; MODIFICATION TO TERMS OR SERVICES

- (a) **Additional Terms.** We reserve the right to provide you with operating rules or additional terms that may govern your use of our Services generally, unique aspects of our Services, or both (“**Additional Terms**”). For purposes of these Terms of Use, Additional Terms are defined to include any terms set forth in the vehicle’s Owner’s Manual and similar documents, as well as any specific terms for the Services posted in the Agreement section of www.lexus.ca/connectedservices-privacy. To the extent any Additional Terms conflict with these Terms of Use or other parts of the Agreement, the Additional Terms will control.
- (b) **Modification to Terms of Use/Services.** We reserve the right in our sole discretion and at any time and for any reason, to unilaterally amend, change or modify any element of these Terms of Use, the EULA, or the Connected Services Agreement. We will give you advance notice of any such amendments, changes, or modifications. If you do not agree to such amendments, changes, or modified terms, you may terminate the Terms and Use, EULA, or Connected Services Agreement as applicable, and cancel your Services. Otherwise, your continued access or use of the Services after the applicable notice period indicates your acceptance of the modified Agreement. We also reserve the right in our sole discretion and at any time and for any reason, to amend, change or modify or discontinue any aspect or feature of our Services. This includes Services provided directly by us, as well as Services provided or supported by Service Providers (such as third party applications available via the App or the multimedia equipment in the Vehicle). The notice we provide you of such changes will vary based on the nature of the change. For instance, we will notify you of changes to the Terms of Use, by posting a revised version in the App, in the Agreement section of www.lexus.ca/connectedservices-privacy, and/or in other relevant parts of the Website. For changes to the Services, and certain changes to the Terms of Use (such as changes we believe materially affect your rights under this Agreement), we will provide you notice via email or other written notice, through the App and/or through the multimedia equipment in the Vehicle. The effective date of the applicable change will be as set forth, as applicable, in the revised Terms of Use or the other notice we provide. IF YOU DO NOT AGREE WITH ANY SUCH CHANGE, YOUR SOLE RECOURSE IS TO CANCEL YOUR SERVICE PLAN AND THE SERVICE. Your continued access or use of the Services after our notice indicates your acceptance of the change(s).

- (a) **Wireless/GPS Technology.** The System use digital wireless telecommunications technology and GPS technology to enable to the Services and Software via third party wireless networks, satellites and related infrastructure (collectively, “**Wireless/GPS Technology**”). The Wireless/GPS Technology is outside of our control, has changed over time and will continue to do so. These changes can result in

the obsolescence of all or some of the Wireless/GPS Technology related to the Vehicle. Changes to the Wireless/GPS Technology incorporated in your Vehicle can result in our inability to provide the Services. For instance, as noted in Section 11(b) below, changes to the underlying technology of a wireless network can result in the cancellation of Services. Generally, if changes occur to the Wireless/GPS Technology used by the System, we will notify you of the effective date of cancellation and any applicable changes as provided in Section 10(b) above.

- (b) **Service Availability.** The specific Wireless/GPS Technology included will vary depending on the Vehicle make and model year. Accordingly, not all Services are available on all Vehicles or in all geographic locations. For information on Services available in a Vehicle, please review your Vehicle's owner's manual, visit our Website, or consult your dealership. Also, note that Services for Vehicles may be limited, or not work, outside of Canada the continental United States, Alaska and Hawaii. Services may not be renewed if the Vehicle has left Canada, the continental United States, Alaska or Hawaii.
- (c) **Notice of 3G Sunsetting.** Wireless network carriers have announced that they are retiring 3G technology in Canada, beginning with Manitoba, at the end of 2025. It is anticipated that 3G network technology will be retired for the rest of Canada by approximately the end of 2026. As a result, the Toyota and Lexus vehicles that rely on this network technology for their Services will lose several features and have limited functionality in their telematics capabilities when that event occurs ("**Affected Features**") and within affected areas. A list of the affected Vehicles and Affected Features for each vehicle is provided in Appendix 1 (3G Sunsetting Affected Vehicles and Affected Features). You understand and agree that if you own one of the affected Vehicles, your Services will no longer have the Affected Features when that event occurs.

13. INFORMATION ABOUT CERTAIN SERVICES

- (a) **Automatic Collision Notification; SOS Button.** When we receive an emergency signal from your Vehicle via the SOS Button (“SOS”), we will typically first attempt to verify your emergency, and then if appropriate, contact third party emergency responder Service Providers to respond to your emergency. You understand that we cannot assure you, or make any guarantees, about the manner or timeliness of such Service Provider response or even whether the Service Provider will in fact respond to your emergency at all. YOUR VEHICLE HAS TO HAVE A WORKING ELECTRICAL SYSTEM (INCLUDING ADEQUATE BATTERY POWER) AND BE IN WIRELESS NETWORK COVERAGE FOR THE AUTOMATIC COLLISION NOTIFICATION AND SOS FEATURES TO OPERATE.
- (b) **Stolen Vehicle Locator.** If your Vehicle is stolen, we can try to locate it. Before we try to locate it, you will need to file a stolen vehicle police report with the local authorities and be able to verify your identity to us. We will only provide location information about stolen Vehicles to the police. We may place time limits on how long we will attempt to locate your Vehicle – ask for details. We also are not required to try to find your Vehicle for the purpose of locating a person. We reserve the right to refuse to provide this service in our discretion, including to anyone, including anyone other than you, a government entity pursuant to a valid court order or other official governmental action, or one of our affiliates in connection with the leasing or financing of your Vehicle.
- (c) **Location of Your Vehicle in Connection with Lease/Finance.** If you lease or finance your Vehicle through us or one of our affiliates, and you have materially breached any of the terms of the agreements governing such lease or finance, we may use the Services to locate you or the Vehicle for the purpose of communicating with you and/or recovering the Vehicle. YOU EXPRESSLY CONSENT TO OUR USE OF THE SERVICES IN THIS MANNER.
- (d) **Remote Start.** You must ensure that the Vehicle is parked and in the proper gear, under conditions that make it safe to start the engine, as well as to ensure that starting the Vehicle remotely will not violate any regulation, ordinance, or other law applicable to the location of the Vehicle at time of activation. Laws in some communities may restrict the use of the features that remotely start the Vehicle’s engine. For example, some laws may require a person using the Remote Start feature to have the Vehicle in view when doing so or limit the length of time a vehicle engine may idle. Please check local and provincial/territorial regulations for requirements and restrictions on remote starting of vehicles and engine idling time. We may require a PIN to utilize this Service and you authorize us to assist anyone who provides us with your PIN.
- (e) Advanced Drive System.
- (i) Certain Vehicles are equipped with an Advance Drive System (“ADS”) Service, which includes the following:

A. **“Driver Assistance”** features which use various technologies to propose and execute on certain driving maneuvers, including vehicle steering, performing lane changes, managing speed, and merging with and diverging from traffic. ADS relies on a system of interior and exterior cameras, GPS, radar, and Light Detection and Ranging (**“LiDAR”**) to evaluate the vehicle's surroundings and to propose and perform these driving maneuvers under specific traffic conditions on select roads and highways.

B. **“Driver Safety”** features which help improve safety and vehicle control. Using interior camera and sensors, the features monitor the status of the driver (e.g., including driver posture, facial activity, steering wheel grip, seat belt worn etc.) to ascertain whether the driver is paying attention to the road and the vehicle's surroundings. The features include Driver Emergency Stop Assist and Emergency Brake Support which are intended to halt the vehicle's operation after detecting certain unsafe driver behavior.

(ii) To receive the full benefits of ADS:

A. You must have and maintain the appropriate subscription to ADS. Additional information on our subscriptions is available in the App, on our Website or by contacting us as provided above.

B. Cameras, radar, LiDAR, and sensors must be operational and unimpaired by debris or weather-related elements.

C. Each driver of the vehicle must be attentive and unimpaired (eyes opened, looking ahead, not distracted, upright posture, hands on steering wheel, seat belt buckled, etc.).

D. Traffic and road conditions must be appropriate for Advanced Drive use. The system may not operate as intended on newly established roads, intersections, roads without lanes, sharp curves, or grades.

(iii) If your vehicle is equipped with ADS, you expressly acknowledge and agree:

A. **ADS is not an autonomous driving system. The driver of the Vehicle is at all times responsible for the Vehicle’s operation and must always maintain awareness of the road conditions, traffic, and surroundings.**

B. Advanced Drive may only be used on vehicle-only roads and highways supported by high definition and/or Teammate maps. The system may not operate properly where bicycle and pedestrian traffic are present.

C. Inclement weather and other factors may make it unsafe to use ADS (for example, slippery roads, poor visibility, extremely low temperatures, and other unsafe road conditions). In these instances, the systems cameras, sensors, and other equipment may not operate correctly or may be impaired. The driver is solely responsible for determining whether using ADS in a given instance is appropriate.

D. ADS may not operate properly: (1) if the driver’s eyewear, masks, or other items obstruct or interfere with the Driver Safety features; or (2) near places with strong radio waves (e.g., TV towers, broadcast stations). The system may not detect certain traffic

signals, bus lanes, draw bridges, construction zones or road intersections. In addition, the system cannot detect ground unevenness or cargo protruding from surrounding vehicles. The driver must manually operate or be prepared to take control of the vehicle in these circumstances.

E. Certain federal, provincial, or local regulations may affect the operation of ADS, including laws against hands-free driving, or use of HOV or express lanes. The driver is solely responsible for ensuring use of ADS complies with all applicable laws, rules, and regulations.

- (f) **Facial Recognition System Service.** Certain vehicles are equipped with Facial Identification services that are enabled through the use of interior cameras and other technology in the vehicle. Should you choose to opt-in to this service by completing the “Setup Face” process in the Vehicle, the Face Identification service will take and store a facial scan which is then linked to the driver’s profile in the vehicle in order to load the driver’s settings in the vehicle. These services may not operate correctly in certain instances, including if the driver’s eyes, eyebrows, eyewear, masks, or other features, items, or conditions (e.g., sunlight) obstruct or interfere with the interior camera’s ability to take a facial scan or identify the driver. Further, you should note that the services can result in misidentification from time-to-time, particularly with twins or others who share similar facial features. The Facial Identification service assists in protecting access to and security of your driver profile and settings but should not be relied upon for purposes such as Vehicle theft prevention.

Your facial scan data is stored only within your Vehicle and is not transmitted outside of the Vehicle. You have the right to withdraw your consent and opt-out of this service at any time. Refer to the Connected Services Privacy Notice located at www.toyota.ca/connectedservices-privacy for more information about your privacy rights and about how your personal information is collected, used, disclosed, and stored for this feature.

14. SERVICE PROVIDERS AND THIRD PARTY BENEFICIARIES

We work with many different companies, individuals and government entities to provide you with your Services, all of which are defined in this Agreement as Service Providers. Each Service Provider involved in delivering the Services, including each Underlying Wireless Carrier and App Store, is an intended third-party beneficiary of the protections of under this Agreement. This Agreement does not give you any rights against any of the Underlying Wireless Carriers or other Service Provider, or any App Store. The disclaimers, warranties, limitations of liability and other protections of this Agreement extend to these third-party beneficiaries.

15. YOUR DUTIES AND RESPONSIBILITIES

- (a) It is your responsibility to make sure your vehicle and your System are working. You can always press the SOS button to confirm that your System is active. If the light next to the SOS button is red or off, this means that your System is not functioning properly or is inactive and should be checked by a dealer.
- (b) **YOU ARE SOLELY RESPONSIBLE FOR ANY USE OF THE SERVICES IN YOUR VEHICLE, EVEN IF YOU ARE NOT THE ONE USING IT, AND EVEN IF YOU LATER CLAIM THE USE WAS NOT AUTHORIZED. YOU ARE ALSO SOLELY RESPONSIBLE FOR THE SERVICES**

REQUESTED BY YOU, OR BY ANYONE USING YOUR VEHICLE. 17. LIMITATION OF LIABILITY. EXCEPT IN JURISDICTIONS WHERE SUCH PROVISIONS ARE RESTRICTED, YOU AGREE THAT THE ENTIRE LIABILITY OF LEXUS AND THE ADDITIONAL ENTITIES TO YOU OR ANY THIRD PERSON, AND THAT YOUR OR ANY THIRD PERSON'S EXCLUSIVE REMEDY, IN LAW, IN EQUITY, OR OTHERWISE, WITH RESPECT TO THE SERVICES, SYSTEM, SOFTWARE AND SERVICE CONTENT PROVIDED UNDER THESE TERMS OF USE AND/OR FOR ANY BREACH OF THESE TERMS IS SOLELY LIMITED TO THE AMOUNT OF ONE HUNDRED DOLLARS (\$100). EXCEPT IN JURISDICTIONS WHERE SUCH PROVISIONS ARE RESTRICTED, NEITHER LEXUS NOR ANY OF THE ADDITIONAL ENTITIES SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES EVEN IF ANY OF THEM HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT THAT A PROVINCE OR TERRITORY DOES NOT PERMIT THE EXCLUSION OR LIMITATION OF LIABILITY AS SET FORTH HEREIN, LEXUS'S AND EACH OF THE ADDITIONAL ENTITIES' LIABILITY IS LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW IN SUCH PROVINCE OR TERRITORY.

18. RELEASE/WAIVER OF CLAIMS. EXCEPT IN JURISDICTIONS WHERE SUCH PROVISIONS ARE RESTRICTED, FOR YOURSELF AND ANYONE ELSE CLAIMING UNDER YOU OR ON YOUR BEHALF, YOU AGREE TO RELEASE AND DISCHARGE LEXUS AND EACH OF THE ADDITIONAL ENTITIES, THEIR RESPECTIVE OFFICERS, DIRECTORS, AND EMPLOYEES, AND EACH THIRD-PARTY BENEFICIARY (INCLUDING EACH APP STORE) FROM ALL CLAIMS, LIABILITIES AND LOSSES IN CONNECTION WITH THE SERVICES, SYSTEM, SOFTWARE AND SERVICE CONTENT, INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR PERSONAL INJURY OR PROPERTY DAMAGE ARISING FROM THE TOTAL OR PARTIAL FAILURE OF PERFORMANCE OF THE SERVICES, SYSTEM, SOFTWARE AND SERVICE CONTENT, EVEN IF CAUSED BY OR BASED UPON LEXUS'S OR THE ADDITIONAL ENTITIES' NEGLIGENCE, GROSS NEGLIGENCE, STRICT PRODUCTS LIABILITY, DECEPTIVE TRADE PRACTICES ACT VIOLATIONS, BAD FAITH, OR BREACH OF WARRANTY OR THE MALFUNCTION OF THE SERVICES, SYSTEM, SOFTWARE AND SERVICE CONTENT. 19. DISPUTE RESOLUTION & MANDATORY ARBITRATION. PLEASE READ THIS PROVISION CAREFULLY. IT INCLUDES AN AGREEMENT TO MANDATORY ARBITRATION, WHICH MEANS, EXCEPT WHERE PROHIBITED BY LAW, THAT YOU (INCLUDING, FOR THE PURPOSES OF THIS SECTION, ANYONE CLAIMING UNDER YOU OR ON YOUR BEHALF) AND LEXUS EACH AGREE TO SUBMIT ANY DISPUTE RELATED TO THIS AGREEMENT (INCLUDING THE SOFTWARE OR SERVICES) TO BINDING INDIVIDUAL ARBITRATION RATHER THAN PROCEED IN COURT. EXCEPT WHERE PROHIBITED BY LAW, THIS PROVISION ALSO INCLUDES A CLASS ACTION WAIVER, WHICH MEANS THAT YOU AGREE TO PROCEED WITH ANY DISPUTE INDIVIDUALLY AND NOT AS PART OF A CLASS ACTION, AND A JURY WAIVER. YOU AND LEXUS EACH AGREE:

- (a) **Informal Resolution of Disputes.** If you or Lexus has a dispute or disagreement with the other regarding the Services, System, Software or Service Content or any other aspect of this Agreement (each, a “**Dispute**”), you and Lexus each agree to first contact and provide a written description of the Dispute, all relevant documents/information and a proposal for resolving the Dispute. You agree to contact us at Lexus Canada Inc., Attn: Manager, Connected Technologies, 1 Toyota Place, Toronto, ON, M1H 1H9, or at 1-800-265-3987 Lexus will contact you based on the contact information we have in our systems.
- (b) **Mandatory Arbitration of Unresolved Disputes.** If after 60 days the parties are unable to resolve the Dispute, YOU AND LEXUS BOTH AGREE, EXCEPT WHERE PROHIBITED BY LAW, TO USE BINDING ARBITRATION, NOT A CIVIL ACTION (except for small claims court cases as described below) TO RESOLVE THE DISPUTE. You and Lexus each acknowledge and agree that, but for this agreement to arbitrate disputes, you and Lexus would have had a right or opportunity to

litigate disputes through a court and to have a judge or jury decide the case and you and Lexus each voluntarily choose to waive that right and pursue all applicable Disputes through binding arbitration.

- (c) **Arbitration Entity & Rules.** You agree that, apart from any claim you may bring in small claims court, the sole and exclusive forum and remedy for any and all disputes and claims that cannot be resolved informally and that relate in any way to or arise out of your use of the Services or relating to this Agreement or any prior agreement for service with us or any of our affiliates, predecessors in interest, or Third Party Service Providers or any product or service provided under or in connection with this Agreement or such a prior agreement, or any advertising for such products or services, shall be final and binding arbitration before a single arbitrator, except to the extent that you have in any manner infringed upon or violated or threatened to infringe upon or violate any patent, copyright, trademark, trade secret, privacy or publicity rights, in which case you acknowledge that there is no adequate remedy at law and that injunctive or other appropriate relief may be sought by us and/or an applicable third party either in court or from an arbitrator. You and we acknowledge that the Ontario Arbitration Act, 1991, S.O. 1991, c.17 applies to arbitrations under this Agreement (despite any other choice of law provision). To the extent that the Ontario Arbitration Act does not supply substantive or procedural law necessary for the resolution of any disputes or claims, the laws of the Province of Ontario shall apply, except that Ontario laws concerning choice of law or conflicts shall not apply if they would cause the substantive law of another jurisdiction to apply. To the extent that the parties litigate any part of any dispute or claim in court, including, without limitation, obtaining provisional remedies in aid of arbitration, confirmation of an award, and judgment enforcement, the laws of the Province of Ontario shall apply, except that Ontario laws concerning choice of law or conflict of laws shall not apply if they would cause the substantive law of another jurisdiction to apply. The arbitration shall be conducted in English. Arbitration will be conducted by the Canadian Commercial Arbitration Centre (“CCAC”) in accordance with its rules and procedures. The seat of arbitration shall be Toronto, Canada. We will waive our right to arbitrate any individual claim (as opposed to class) you bring or maintain in small claims court for so long as the matter remains an individual claim and remains in small claims court. You can get rules and fee information from the CCAC (www.ccac-adr.org). Except where prohibited by law, you expressly waive the right to request or maintain any class arbitrations even if CCAC procedures or rules would permit them. (This is referred to below as the “Class Action Waiver”.) In exchange for this, we will pay (if you ask us in advance) for any filing fee charged you by CCAC for one arbitration of any disputes between us, so long as you tried in good faith to resolve the disputes with us before filing for arbitration. If the arbitration proceeds past the filing, we will also pay (if you ask us at the time) any further administrative and arbitrator fees you are later charged. An arbitrator can decide later whether to allocate the fees differently if there is an award. The arbitrator may award you any fees and charges that are necessary to ensure the enforceability of this arbitration provision. There is no judge or jury in arbitration, and review is limited; but an arbitrator can award the same damages and relief and must honor the same limitations in this Agreement as a court would. You and we agree to pay our own fees, costs, and expenses, including those for any lawyers, experts, and witnesses. You agree that any claim for or award of legal fees or disbursements, including any such claim or award pursuant to Ontario Rules of Civil Procedure, O Reg. 193/15, is waived. Any arbitration award made after completion of an arbitration is final and binding and may be confirmed in any court of competent jurisdiction, except that in the event the arbitrator’s award for a party is \$0 or against a party is in excess of \$100,000, or includes an award of injunctive relief against a party, that party may request a new arbitration to be conducted by the selected arbitration organization by a three-arbitrator panel. An award and any judgment confirming it only applies to the arbitration in which it was awarded and cannot be used in any other case except to enforce the award itself. If a court or arbitrator determines that any part of this arbitration agreement is not enforceable, the rest of this

arbitration agreement shall be enforceable. If for some reason these arbitration requirements do not apply, or a claim proceeds in small claims court, unless prohibited by law, you and Lexus agree to waive to the fullest extent permitted by law any trial by jury. In no event shall any claim, action or proceeding by you related in any way to the Services, this Agreement, or any prior agreement, as described above, be instituted more than two years after the claim or cause of action arose. This Agreement to arbitrate survives the end of the contractual relationship between us.

- (d) **Exceptions to Arbitrate.** You and Lexus each agree: (i) either of us may bring qualifying Disputes in small claims court; (ii) if for any reason any court or arbitrator holds that the Class Action Waiver below is unconscionable or otherwise unenforceable, then our agreement to arbitrate does not apply and the class-wide dispute must be brought in court; or (iii) Lexus (and any Service Provider) may seek injunctive or other appropriate relief in court or arbitration to the extent the Dispute in any manner involves your actual or threatened infringement or violation Lexus's or any third party's patent, copyright, trademark, trade secret, privacy or publicity rights.
- (e) **NO CLASS ACTIONS.** EXCEPT WHERE PROHIBITED BY LAW, YOU AND LEXUS EACH WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASS-WIDE BASIS; THAT IS, TO EITHER JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY, OR ASSERT A CLAIM IN A REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE IN ANY LAWSUIT, ARBITRATION OR OTHER PROCEEDING.
- (f) **NO TRIAL BY JURY.** EXCEPT WHERE PROHIBITED BY LAW, YOU AND LEXUS EACH WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LAWSUIT, ARBITRATION OR OTHER PROCEEDING.

20. MISCELLANEOUS

- (a) No waiver by either party of any breach or default hereunder shall be deemed to be a waiver of any preceding or subsequent breach or default. The section headings used herein are for convenience only and shall not be given any legal import.
- (b) Except where specifically stated otherwise, if any part of this Agreement is unlawful or unenforceable for any reason, you and Lexus both agree that only that part of the Agreement shall be stricken and that the remaining terms in this Agreement shall not be affected. So, for example, if a provision in this Agreement is found to be unenforceable, you and Lexus agree an arbitrator (or, if permitted, a court) shall only strike that provision and that the remaining terms of this Agreement shall remain in force.
- (c) This Agreement (including these Terms of Use, the EULA, the Privacy Notice and any Additional Terms) constitute the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all previous written or oral agreements between you and Lexus with respect to such subject matter.
- (d) You may not assign this Agreement or assign any rights or delegate any obligations hereunder, in whole or in part, without Lexus's prior written consent. Any such purported assignment or delegation by you without the appropriate prior written consent will be null and void and of no force and effect. Lexus may assign this Agreement or any rights hereunder without your consent and without notice.

- (e) To the fullest extent permitted by law, and except as explicitly provided otherwise, this Agreement and any disputes arising out of or relating to it will be governed by the laws in force in the Province of Ontario, except that Ontario laws concerning choice of law or conflicts shall not apply if they would cause the substantive law of another jurisdiction to apply. Notwithstanding, where applicable, Section 19 shall be governed by the Ontario Arbitration Act and the laws of the Province of Ontario, as applicable, as set forth therein. For consumers resident in Québec, this Agreement and any disputes arising out of or relating to it will be governed by the laws in force in the Province of Québec, except that Québec laws concerning choice of law or conflicts shall not apply if they would cause the substantive law of another jurisdiction to apply.
